Major C. C. Bosbyshell, Supt. U. S. Mint,  
Philadelphia, Pa.

Major:

On my return from a two weeks' leave of absence, I find several communications addressed to me from your office; also a number of medals which have arrived during my absence. As soon as I can complete urgent duties, I will take up the question of medals with a view of a final adjustment of this account.

Yours very respectfully,

*A. J. Zabriskie*  
Engineer.
